The annual, multidisciplinary Partners for Change Conference brings current and innovative trainings to Oklahoma in support of a coordinated community response comprised of allied professions who are involved in violence against women work. The conference is an important part of a community continuum to enhance safety for victims of domestic violence, dating violence, sexual assault, stalking, and trafficking (trafficking must involve an element of domestic/dating violence, sexual assault, and/or stalking) and end violence against women in our state.

This conference is a collaboration with the Office of the Oklahoma Attorney General's Office, Federal Bureau of Investigation, Native Alliance Against Violence, Oklahoma City Catholic Archdiocese, Oklahoma City Office, Oklahoma Coalition Against Domestic Violence & Sexual Assault, the Oklahoma Commission on Children & Youth, Oklahoma Department of Corrections, Oklahoma District Attorneys Council, Oklahoma Department of Mental Health & Substance Abuse Services, Oklahoma State Department of Health and United States Attorney Offices, Eastern, Northern & Western Districts

This project was supported by subgrant No.VSU-00026 awarded by the State Administering Agency for the S.T.O.P. Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the Department of Justice, Office on Violence Against Women.
